Meeting Called to Order by Craig Johnson at 4:55 pm

Field Trip Report: Mark Wollensak updated the group on the status of AAPG field trips

- Transportation: Mark needs to get with Bill Harrison to decide if he should put down a deposit
- Kentland Quarry: will be a weekend trip only, as that is the only time we have been given permission
- Salt Mine Trip: Mark wanted to be able to distribute publications for the Salt Mine Trip.

Treasurer's Report: was reviewed and approved

Minutes: were reviewed and approved

Scholarships: Tom G reported on scholarships

- Tom Godbold sent out the scholarship announcement to colleges & reported that the University of Waterloo requested a copy
- One idea was to send scholarship announcements to student chapters directly

Earth Day Display:

Jennifer asked the group whether MBGS should have a display at the Michigan Earth Day Event April 22, 2010, in Constitution Hall, Downtown Lansing. The committee voted yes. Those interested in staffing the display were:

- Tom Hoane

- Milt Gere
- Hal Fitch
- Craig Johnson
- Jennifer Jennings

MI Earth Science Teachers Association (MESTA):

- A representative of MESTA approached an MBGS committee member wanting to build a relationship between the 2 groups.
- The suggestion was to give 1 member a complimentary newsletter, perhaps as a liaison
- Craig mentioned he had some core from Tennessee he'd be willing to part with, quite eagerly, for use as an educational tool.

Speakers:

- April: will be Robb Gillespie (Egypt), Jen Jennings (Watkins Glen), & Mark W. (Copper Country trip)
- There was talk about inviting a Distinguished lecturer from SEG for next year's lineup.

Arkona Rd. Quarry Field Trip

- April 10, 2010
- Steve LoDuca from EMU will be going to tonight's talk, he will be leading/assisting w/ the field trip

Meeting Adjourned 5:25pm
